A few words on the PAW

Created and coordinated by the NGO Générations Futures each year from the **20th to the 30th of March**, the Pesticide Action Week (PAW) promotes the existing **alternatives** to chemical synthetic pesticides.

+ THAN 500 EVENTS

organized each year in France and on the international stage by **citizens, associations, companies et territorial collectivities**.

+ THAN 50 NATIONAL AND INTERNATIONAL PARTNERS

highlighting the PAW and mobilizing their members.

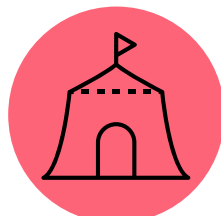

THE EVENTS (AMONG OTHERS) :

CONFERENCES

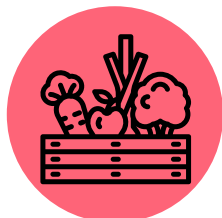

SCREENINGS

SHOWS

VISITS

FEASTS & TASTINGS

WORKSHOPS

AND YOU ?
